Index to
AMERICAN JOURNAL OF NURSING

VOLUME 69, NUMBERS 1-12 **JANUARY-DECEMBER 1969**

This index is arranged in two sections, the Subject Section and the Name Section. ARTICLES and BOOK REVIEWS are entered under the name of the author and joint authors in the Name Section and under one or more subjects in the Subject Section.

The following types of information are found in the Subject Section. NEWS ITEMS are under the names of the organizations or groups mentioned as well as the subjects to which the items pertain. HONORS bestowed upon nurses, including ACADEMIC DEGREES, are under only the subject **Awards and Prizes** and thereunder alphabetically by name of the award or institution conferring the honor. COLLEGES AND UNIVERSITIES are under the specific name of the institution, e.g. **Boston University,** and HOSPITALS and HOSPITAL SCHOOLS OF NURSING are under the name of the state and thereunder by city, e.g. **Massachusetts,** Boston Beth Israel Hospital School of Nursing. New EDUCATION PROGRAMS in schools of nursing which are given for credit or schools which have closed are listed alphabetically by name of school under the subject **Education Programs.** For non-credit or short term courses, seminars, etc. see the subject Education Programs for paging on which these programs are listed. DRUG INFORMATION is under the subject headings **Drug Addiction, Drug Administering and Usage, Drug Laws, Drug Therapy,** etc. APPOINTMENTS AND BIOGRAPHIES will be in both Name and Subject Sections. For APPOINTMENTS to state, national, international and federal agencies see personal names in Name Section, and in Subject Section see specific name of agency involved; for those to local institutions see the subject **Appointments** under which the names of the appointees are arranged alphabetically. The same procedure is followed for the subject **Obituaries.** If sufficient information is given in the appointment or obituary notice an entry will also be found under the subject **Nurses, Biography** in the Subject Section and under the personal name in the Name Section.

Note that the subject headings are the same as those used in the **International Nursing Index** and are based on the *Medical Subject Headings* published by the National Library of Medicine. A "Nursing Thesaurus," which is a list of nursing headings commonly used with referrals to the headings used in INI, as well as in the annual indexes of **American Journal of Nursing, Nursing Outlook,** and **Nursing Research,** is published each year as part 2 of the first issue of INI and is bound in the fourth and cumulated hard cover issue. Copies of this Thesaurus are available upon request from the American Journal of Nursing Company.

Beginning with January 1966, volume 66, the paging is again continuous within the yearly volume. The numbers following each entry indicates the volume and page for 1969, i.e. 69:210 means vol. 69, page 210. Following are the page numbers for each month:

January pp. 1-212	May pp. 903-1136	September pp. 1813-2040
February 213-434	June 1137-1364	October 2041-2290
